COLLOQUIUM

Tuesday, September 8th, 2015

4:00 – 5:00 pm, Adel Mathematics Bldg., Room 164
(refreshments at 3:45)

The Lumberjack Mathematics Center Team

A Course Redesign in Mathematics

Abstract: The Lumberjack Mathematics Center Team will present the philosophy of a modified emporium. The LMC courses will be discussed. They will also share results and data, and talk about the three different phases of the Center.

Algebra Combinatorics Geometry and Topology (ACGT) Seminar meets every Tuesday, 12:45 – 1:45 pm, AMB 164.

Applied Math Seminar (AMS) will meet occasionally on Thursdays, 12:45 – 1:45 pm, AMB 164, as announced.

Friday Afternoon Undergraduate Mathematics Seminar (FAMUS) meets Fridays, 3pm, AMB 164.
