

Austrian number theorist Edmund Hlawka was born on this FAMUS day in 1916.

"Hlawka was an outstanding mathematician...but also, as over 800 teacher examinations prove, a successful and popular teacher, who engendered enthusiasm among his students for the discipline, which for many was nevertheless tricky."

-comment about Hlawka made by a biographer

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]
