

Mathematician and educator Andrew Gleason was born on this FAMUS day in 1921.

Andrew Gleason, former full professor and Chair of the Department of Mathematics at Harvard University, might be the most famous 20th century mathematician to never complete a graduate degree of any kind.

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

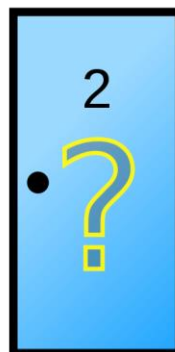

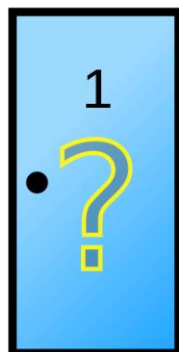

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]
