

Ring theorist Emmy Noether was born one day after this FAMUS day in 1882.

"I think it is a duty I owe to my profession and to my sex to show that a woman has a right to the practice of her profession and cannot be condemned to abandon it merely because she marries."

- a Noether quote

**FAMUS** [**F**riday **A**fternoon **M**ath **U**ndergrad **S**eminar] meets:

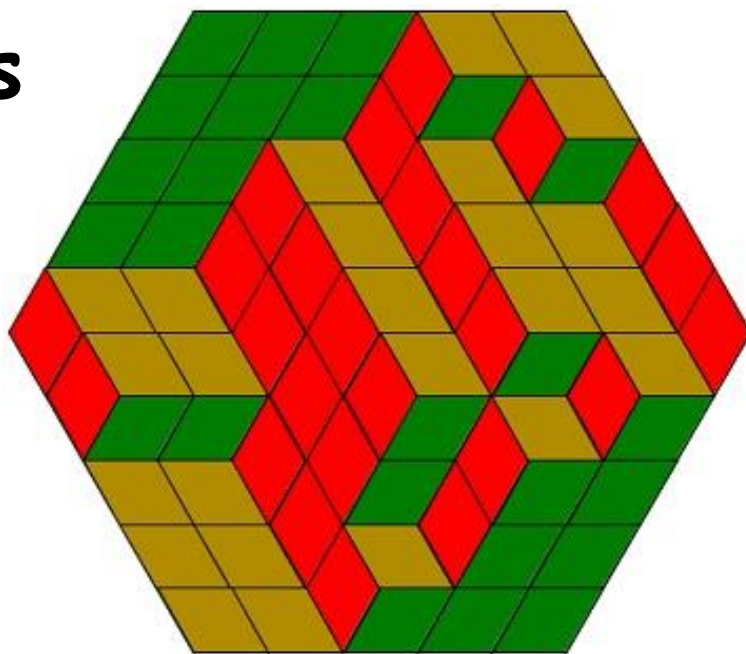

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

**[and snacks are always served!!!!]**

March 22<sup>nd</sup> topic

# The Calissons Problem

[presented by  
Jeff Rushall]

March 22<sup>nd</sup> guest

**NOBODY!**
