

John Napier, the Scottish mathematician who invented logarithms, died on this FAMUS day in 1617.

Napier liked to wander at night in pajamas, carrying a rooster covered in soot (to freak out people and make them think he was in league with the devil).

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]

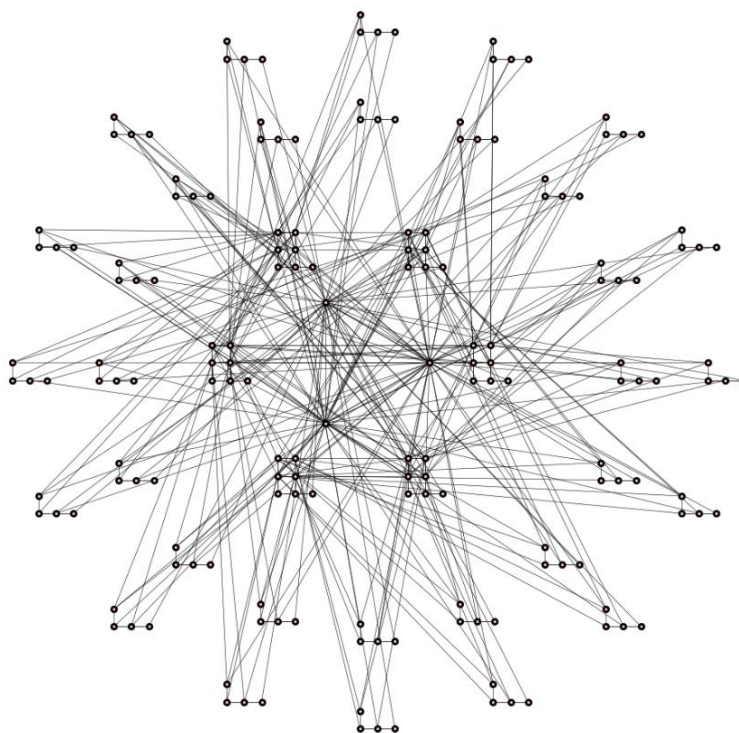

April 4th topic

Graph Coloring Via Quantum Strategies

[presented by
Calder Evans &
Taylor Smith]

April 4th guest

no guest

**ALL MATHEMATICS MAJORS ARE ENCOURAGED
AND EXPECTED AND ENCOURAGED TO ATTEND**
