

The great Swiss mathematician Leonard Euler died one day before this FAMUS day in 1783.

*"Mathematicians have tried in vain to this day to discover some order in the sequence of prime numbers, and we have reason to believe that it is a mystery into which the human mind will never penetrate."*

*-Euler quote about the prime numbers*

**FAMUS** [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

**[and snacks are always served!!!!]**

September 19<sup>th</sup> topic

## Tragic Deaths in Mathematics History

September 19<sup>th</sup> guest

# Gabe Markou

**ALL MATHEMATICS MAJORS ARE ENCOURAGED  
AND EXPECTED AND ENCOURAGED TO ATTEND**
