

Scottish mathematician John Arbuthnot, who cofounded (with Swift and Pope) a club that satirized bad poetry, died on this FAMUS day in 1735.

"Mathematics... charms the passions and may serve for a pleasant entertainment for those hours which young men are apt to throw away upon their vices."

-humorous quote of Arbuthnot

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

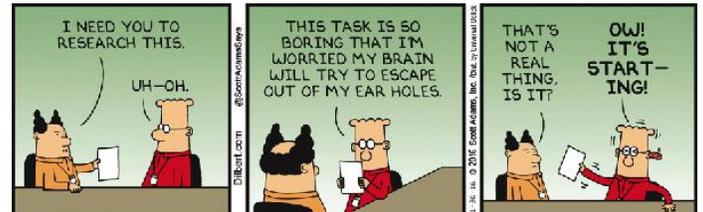

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]

February 27th topic

2026-27 Undergrad Research Projects

[presented by
Jeff Rushall]

February 27th guest

No guest 😞

ALL MATHEMATICS MAJORS ARE ENCOURAGED AND EXPECTED AND ENCOURAGED TO ATTEND
