

German
astronomer &
mathematician
Johannes
Kepler died on
this FAMUS
day in 1630.

Little known facts: Kepler
saved his mother from 14
years of prison (she was
accused of being a witch)
AND revolutionized the study
of wine barrel volumes.

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]
