

French-American mathematician Serge Lang died on this FAMUS day in 2005.

Lang was noted for his eagerness for contact with students. He was described as a passionate teacher who would throw chalk at students who he believed were not paying attention.

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]

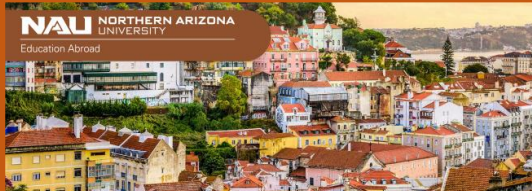

September 12th topic

Education Abroad

NAU in Portugal:
Differential Equations or Linear Algebra in Lisbon

JUNE 7 - 28, 2025

Take the opportunity to study either differential equations or linear algebra, and become familiar with the grand and historic city of Lisbon, Portugal. Each weekday, you will spend time learning mathematics in your designated course, and then spend the afternoon and evening on organized outings to various destinations in and around Lisbon. Weekends will be spent on longer excursions to nearby towns and sites!

Earn 3.00 credits:
MAT 239
MAT 316
