

American number theorist Norman Levinson died on this FAMUS day in 1975.

FUN FACT: In 1934, at age 22, Levinson graduated from MIT with a B.S. and M.S. in electrical engineering. The MIT math department was so impressed they awarded him a Ph.D. in 1935, even though he spent no time at MIT that year.

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

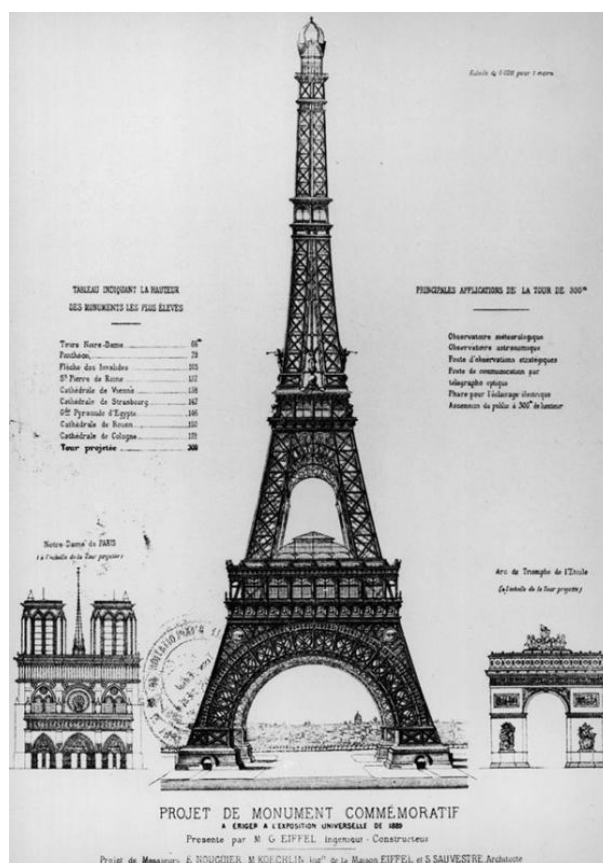

[and snacks are always served!!!!]

October 10th topic

The Mystery of the Eiffel Tower curve

October 10th guest

Tyler Brock

ALL MATHEMATICS MAJORS ARE ENCOURAGED AND EXPECTED AND ENCOURAGED TO ATTEND
