NAU NORTHERN ARIZONA UNIVERSITY

Department of Mathematics and Statistics

British number theorist Harold Davenport was born on this FAMUS day in 1907.

Davenport hated any kind of change, especially involving technology: he refused to fly in airplanes, and he refused to use elevators. He also called any attempts to modernize the teaching of math an "evil."

FAMUS [Friday Afternoon Math Undergrad Seminar] meets:

- every Friday
- at 3:00 p.m.
- in Room 164
- of the Adel Mathematics Building

[and snacks are always served!!!!]

October 30th topic

The Apportionment Problem

October 30th guest

Dana Ernst

ALL MATHEMATICS MAJORS ARE ENCOURAGED AND EXPECTED AND ENCOURAGED TO ATTEND
